Public Health Service

Center for Drug Evaluation and Research Office of Training and Communication Freedom of Information Staff HFD-205 5600 Fishers Lane 12 B 05 Rockville, Maryland 20857

July 14, 1999

In Response Refer to File: F99-15489

Peter Breggin, MD 4628 Chestnut Street Bethesda, MD 20814

Dear Dr. Breggin:

This is in response to your request of 7/7/99, in which you requested adverse events associated with the use of Fluvoxamine. Your request was received in the Center for Drug Evaluation and Research on 7/14/99.

Charges of \$4.50 (Search \$1.75, Review \$1.75, Reproduction \$1.00, Computer time \$0) will be included in a monthly invoice. **DO NOT SEND ANY PAYMENT UNTIL YOU RECEIVE AN INVOICE**.

If there are any problems with this response, please notify us in writing of your specific problem(s). Please reference the above file number.

Enclosed are copies of the adverse event cases. In order to help reduce processing time and costs, certain material has been deleted from the record(s) furnished to you because a preliminary review of the records indicated that the deleted material is not required to be publicly disclosed. If, however, you do desire to review the deleted material, please make an additional request to the following address:

Food and Drug Administration Freedom of Information Staff, HFI-35 5600 Fishers Lane Rockville, Maryland 20857

Hal Stepper

Should the Agency then deny this information, you would have the right to appeal such a denial. Any letter of denial will explain how to make this appeal.

This concludes the response for the Center for Drug Evaluation and Research.

Sincerely,

Hal Stepper

Freedom of Information Technician Office of Training and Communications Freedom of Information Staff, HFD-205 Solvay Pharmaceuticals
